

REMARKS

This paper is supplemental to the Response To Paper No. 5 filed on July 22, 2004 in the subject application.

Upon a close review of the claims, it was noted that original claim 7 does not read clearly due to an obvious omission. In particular, in the first line of the third paragraph of claim 7, as shown on page 52 of the specification, it is obvious that a word (or words) are missing after "transmitted" and before "said crystal plate". By the present amendment to claim 7, the word --through-- is inserted in the claim to correct this omission and clarify the language of the claim. No new matter is added by this amendment to claim 7.

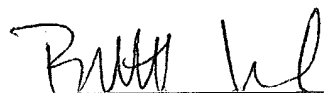

In addition, withdrawn claims 10-22 are presented herein in proper format.

In view of the foregoing amendments and Remarks, it courteously is urged that all of the claims are allowable, and that this application now is in condition for allowance.

Favorable action in this regard earnestly is solicited.

Respectfully submitted,
